

2020 YEAR IN REVIEW

Tours - We were able to do a driving tour of Historic Red Feather and a Roadside Geology driving tour with Margie & Larry Caswell.

Programs - We had two programs - History Lost-History Saved by Kenneth Jessen via Zoom and Thomas Jefferson re-enactment by Jack Van Ens.

Other scheduled tours & programs were canceled due to Covid 19 & Cameron Peak fire.

Membership - 120 of you joined this year helping us with historical projects.

Merchandise - All fairs in RFL were canceled so we only sold a few things online. See online ordering details below.

Website - Active and adding new things as they arise.

Red Feather Lakes Community Library - Check out history books and oral history bound monographs pertaining to the area.

Walking Tour of Red Feather Lakes Village Signage

- most signs are on the building or a post with a few yet to install.

Work will be done on a pamphlet hopefully before this summer.

Robinson Cabin Landscaping - All equipment is placed on pads with walkways completed. Signage will be done by this summer.

Cameron Peak Fire - Historical Sites lost in the fire are Poudre Canyon buildings dating back to 1885, Dickerson sister's barn, and extensive damage to Manhattan Cemetery and Hanging Tree.

This year plan to think about what we can do, not what we can't do!
