

# **“THE MORE THE MERRIER” 1924 HISTORIC LOG CABIN**

Will and Roy Hardin, old John's sons, hauled unpeeled logs by mule and built the cabin for Joseph Moore of Denver in 1924. Though it seemed much smaller than the Moores had visualized in planning when they spent their first summer there in 1925, they called it “the More the Merrier.” Bee Moore’s high school graduation gift was her own boat to row on Hiawatha. The Cabin was sold to Sam and Hortense Hoffman in the 50’s and purchased by the Burke Family in 2010.

**Designated by Red Feather Historical Society**
