The Lakecats was born in the summer of 2025, playing for Friday evening TGIF gatherings in Crystal Lakes. Guitarist, Larry Gruber, has been a part of the Colorado music scene for over 50 years, playing bass guitar for multiple bands in the Glenwood Springs, Aspen and Vail areas, and as owner of music stores in Glenwood Springs and Longmont. Recently, Larry has branched out to play acoustic and electric guitars and provide vocals for the Lakecats.

Drummer, Doug Race, played percussion instruments through college and has played off and on—mostly off—since then. Doug looks forward to supporting the Lakecats development and future endeavors. The Lakecats play a variety of acoustic and electric 70's rock and rhythm and blues numbers including covers from artists like Crosby, Stills, Nash, Young; America, Eric Clapton, Albert King, and Dan Foggleberg.
